ORDINANCE NO. 07-2021

AN ORDINANCE OF THE BOROUGH COUNCIL OF SEA GIRT PROHIBITING THE OPERATION OF ANY CLASS OF CANNABIS BUSINESSES WITHIN ITS GEOGRAPHICAL BOUNDARIES AND AMENDING CHAPTER XVII OF THE SEA GIRT CODE

WHEREAS, in 2020 New Jersey voters approved Public Question No. 1, which amended the New Jersey Constitution to allow for the legalization of a controlled form of marijuana called "cannabis" for adults at least 21 years of age; and

WHEREAS, on February 22, 2021, Governor Murphy signed into law P.L. 2021, c. 16, known as the "New Jersey Cannabis Regulatory, Enforcement Assistance, and Marketplace Modernization Act" (the "Act"), which legalizes the recreational use of marijuana by adults 21 years of age or older, and establishes a comprehensive regulatory and licensing scheme for commercial recreational (adult use) cannabis operations, use and possession; and

WHEREAS, the Act establishes six marketplace classes of licensed businesses, consisting of:

- Class 1 Cannabis Cultivator license, for facilities involved in growing and cultivating cannabis;
- Class 2 Cannabis Manufacturer license, for facilities involved in the manufacturing, preparation, and packaging of cannabis items;
- Class 3 Cannabis Wholesaler license, for facilities involved in obtaining and selling cannabis items for later resale by other licensees;
- Class 4 Cannabis Distributor license, for businesses involved in transporting cannabis plants in bulk from one licensed cultivator to another licensed cultivator, or cannabis items in bulk from any type of licensed cannabis business to another;
- Class 5 Cannabis Retailer license for locations at which cannabis items and related supplies are sold to consumers; and
- Class 6 Cannabis Delivery license, for businesses providing courier services for consumer purchases that are fulfilled by a licensed cannabis retailer in order to make deliveries of the purchased items to a consumer, and which service would include the ability of a consumer to make a purchase directly through the cannabis delivery service which would be presented by the delivery service for fulfillment by a retailer and then delivered to a consumer

WHEREAS, Section 31a of the Act authorizes municipalities to adopt by ordinance regulations governing the number of (1) cannabis establishments (as defined in Section 3 of this Act), (2) cannabis distributors and (3) cannabis delivery services, or to prohibit same, as well as the local licensing endorsement, location, manner and times of operation of cannabis establishments and cannabis distributors, and the location and manner of cannabis delivery services, and establishing civil penalties for the violation of any such regulations; and

WHEREAS, Section 31b of the Act authorizes municipalities to prohibit by ordinance the operation of any one, or more, or all classes of cannabis establishments, distributors, or delivery services anywhere in the municipality, except for the delivery of cannabis items and related supplies by a delivery

operation of any one, or more, or all classes of cannabis establishments, distributors, or delivery services anywhere in the municipality, except for the delivery of cannabis items and related supplies by a delivery service based and initiated from outside of the municipality; and

WHEREAS, Section 31b of the Act also stipulates, however, that any municipal regulation or prohibition must be adopted within 180 days of the effective date of the Act (i.e., by August 21, 2021); and

WHEREAS, the Borough Council of Sea Girt has determined that, due to the detrimental impacts that permitting one or more classes of cannabis business might have on New Jersey municipalities in general, and on our community in particular, it is at this time necessary and appropriate, and in the best interest of the health, safety and welfare of Sea Girt's residents and members of the public who visit, travel, or conduct business in the Borough, to amend the Borough's regulations to prohibit all manner of cannabis/marijuana-related sale, distribution or delivery service within the geographic boundaries of the Borough of Sea Girt.

WHEREAS, due to the small geographic size of the Borough of Sea Girt, it is not possible to ensure a business or facility selling or distributing cannabis or cannabis related products, including, although not necessarily limited to marijuana, hashish or paraphernalia for use of same, to be an adequate distance from a school, playground, church, beach, recreational or sports facility, or residential neighborhood.

Subject: Sea Girt Elementary Fundraiser - Boardwalk Merchandise Sales

Hi Jim:

I wanted to touch base with you as I am one of several (upcoming) 8th grade parents that are trying to figure out the details for the class fundraisers over the next year.

Specifically, the 8th graders (and parents) would like to sell the SGES merchandise (t-shirts, sweatshirts, etc...) on the boardwalk throughout the summer - everyone in the class is required to volunteer for this. This is an annual tradition on the boardwalk and the kids also usually try to sell outside of places like Ray's and Surfside (that we will coordinate with directly).

Can you please advise how we can obtain a permit to do this? Do we need different permits for the boardwalk and outside of places like Ray's? The class would like to begin Memorial Day Weekend if possible.

Please let me know what you need from us to move forward and thank you so much for your help!
